This worldwide network is organized into age-friendly domain areas, which in Fremont are: Health and Wellness, Outdoor Spaces and Buildings, Transportation, Social Participation and Inclusion, Volunteering and Civic Engagement, Community Information, Employment and Learning Opportunities, Housing and Dementia-related

Support. Information from the Fremont community in each domain area has been organized into an Age Friendly Action Plan.

Commissioner Yamasaki

BACKGROUND: The Senior Citizens Commission has been operating on long-standing processes, which have served the commission and the city well. With emerging efforts and challenges, such as the Age-Friendly Action Plan and the Covid -19 pandemic the commission has decided it may be time to review our mission and purpose.

At the June 25, 2020 meeting a work-group was appointed to create a mission statement for the Senior Citizens Commission. The workgroup consists of Commissioners Yamasaki, Hoyne and Yee.

RECOMMENDATION: That the workgroup has the opportunity to gather input from the Commission about next steps.

BACKGROUND: On Monday, August 31, 2020 at 6:00 pm, there was a Virtual Open House for the opening of The Housing Navigation Center for the Homeless.
