INTRODUCTION

This directory is *not* a listing of vacant affordable apartments. If you are looking for affordable housing, your first step is to have your name placed on a waiting list. We suggest that each month, or once every three months, call the apartment complex and ask where you are on the wait list. Meanwhile, your credit history counts, so take the time to correct or repair your credit history. You may also want to begin saving a little each month, so you will have deposit money, first month's rent and money for moving expenses.

To assist you in your search for below market rate housing, the following codes are used to identify the types of assistance a complex may offer. You may find the following codes after the name of a complex:

- = Senior and/or disabled only complex. Please note, unless otherwise specified, "senior" means a person 62 years of age or older. Apply directly at the complex.
- * = You do *not* have to have your own Section 8 rental assistance voucher to be eligible for a below market rate unit. Apply directly at the complex.
- ** = Conventional Low Rent Housing. Owned and operated by Alameda County Housing Authority, Dublin Housing Authority *or* Livermore Housing Authority. You do *not* need a Section 8 voucher to qualify for an apartment. Apply directly with the local housing authority.

Also listed in this directory are complexes that will require you to have your Section 8 voucher. For more information on the Section 8 rental assistance programs, contact Alameda County Housing Authority at (510) 538-8876. (For hearing impaired, TDD: 510-727-8551)

Good luck in your search for affordable housing!

RENT AND DEPOSIT ASSISTANCE

TRI-CITY VOLUNTEERS is a nonprofit community based agency providing services to Fremont, Newark and Union City residents. Tri-City assists by submitting applications to Alameda County's Critical Family Needs Program for individuals in need of deposit monies to secure housing, or individuals who may be delinquent with their rent and have received a three-day-notice. For more information, contact Tri-City Volunteers at (510) 793-4583.

RENTAL ASSISTANCE PROGRAM (RAP) provides loan guarantees to people moving into an apartment who have their first month's rent but lack last month's rent and/or deposit. RAP also provides guarantees for tenants who are delinquent on their rent. This program does not give or loan money directly to either the landlord or tenant. Arrangements are negotiated with the landlord to allow the tenant to make monthly payments on what is owed. To qualify, the tenant must have located a unit in Alameda County and have sufficient income to pay future rent, other expenses, and payments on the loan guarantee. For further information, contact ECHO Housing Rental Assistance Program at (510) 581-9380.

FAIR HOUSING IS YOUR RIGHT

HOUSING DISCRIMINATION on the basis of race, color, religion, national origin, sex, marital status, physical or mental handicap, minor children, sexual orientation, and any arbitrary reason in the sale or rental of any housing **is illegal.**

If you believe you have experienced discrimination in your search for housing, please contact **as soon as possible**, the fair housing service agency listed below for the city in which the unit in question is located:

Fair Housing Agency	Telephone	Service Area
Fremont Fair Housing and Landlord/ Tenant Services	(510) 574-2270	Fremont
Eden Council for Hope and Opportu- nity (ECHO)	(510) 581-9380	Newark Union City Hayward Dublin Pleasanton San Leandro Castro Valley

INCOME ELIGIBILITY CHART

Income Limits Adjusted by Household Size

Below is an income limit chart based on household size. Please use this chart as a guide to assist you in determining if you are income eligible for an apartment at the various complexes listed in this directory. For example, if the "Income Elig." states 50% of median income or below, and you have a household size of 2, your annual income **cannot** exceed \$36,950 to be eligible for a unit at that complex. However, we recommend that you contact the complex(es) directly to find out more about eligibility, application procedure, and whether or not there are available vacant units.

HOUSEHOLD SIZE	50% of Median Income (Sec. 8 Limit)	60% of Median Income	70% of Median Income	80% of Median Income	Area Median (Average)
1	\$32,350	\$38,800	\$45,300	\$51,750	\$64,700
2	\$36,950	\$44,350	\$51,750	\$59,100	\$73,900
3	\$41,550	\$49,850	\$58,150	\$66,500	\$83,100
4	\$46,150	\$55,400	\$64,600	\$73,850	\$92,300

RESIDENTIAL RENT INCREASE DISPUTE RESOLUTION ORDINANCE

ATTENTION: IMPORTANT INFORMATION

On May 8, 2001, City Council voted to approve amendments to the Residential Rent Increase Dispute Resolution Ordinance. Here are some important facts both property owners and renters should know about the ordinance:

1. Rent increases are limited to one increase per year unless a property owner and tenant agree to more than one increase in writing with the exact amount(s) and the exact rent increase date(s).
2. Rent increase notifications must contain the name and number of the individual that has the ability to adjust and set rents.
3. Property owners are encouraged to issue 90-day rent increase notices.
4. Tenants must contact Mediation Services at (510) 733-4945 to request conciliation services within 15 days of receiving a rent increase notice.
5. Property owners will be required to provide tenants moving in on or after July 1, 2001 with a notification of the existence of the ordinance; and if they want a copy of the ordinance, they can contact the City's Office of Housing and Redevelopment at (510) 494-4500.
