

Emergency Operation Program

If you are willing to participate in the City’s emergency operation program to procure supplies and services in a state of emergency, please provide the following information. Include the names and phone numbers of individuals who can be called upon at any time, day or night, and who has the authority to open your business and provide supplies in the event of a major disaster or extreme emergency. This information will be treated confidentially. Send the complete form to the Purchasing Division at purchasing@fremont.gov.
