INTRODUCTION

This directory of publicly assisted below market rate housing in Southern Alameda County is published as a public service by the City of Fremont Community Development Department, Housing Division. The listings are for public information only and are not an endorsement by the City of Fremont. The information is also subject to change without notification.

Most complexes listed in this directory have a waiting list. We recommend you ask to be placed on the waiting list at one or more complexes.

To assist you in your search for housing, the following codes are used to identify the types of assistance a complex may offer. You may find the following codes after the name of a complex:

- = Senior and/or disabled only complex. Please note, unless otherwise specified, “senior” means a person 62 years of age or older.
- ★ = You do *not* have to have your own Section 8 voucher to be eligible for a below market rate unit. Apply directly at the complex.
- ❖ = Conventional Low Rent Housing. Owned and operated by Alameda County Housing Authority *or* Livermore Housing Authority. You do *not* need a Section 8 voucher to apply. Apply directly with the local housing authority.
- ⊕ = Section 8 voucher holders will be given priority in renting a unit. Apply directly at the complex.

Also listed in this directory are complexes that will require you to have a Section 8 voucher. For more information on the Section 8 rental assistance program, contact Alameda County Housing Authority at (510) 538-8876. [For hearing impaired, TDD: 510-727-8551

INCOME ELIGIBILITY CHART

Income Limits Adjusted by Household Size

Below is an income limit table based on household size. Please use this table as a guide to assist you in determining if you are income eligible for an apartment at the various complexes listed in this directory. For example, if the "Income Elig" states 50% of median income or below and you have a household size of 2, your annual household income **cannot** be more than \$46,500 per year to be eligible for a unit at that complex. However, we recommend that you contact the complex(es) directly to find out more about eligibility, the application procedure, and whether or not vacant units are available.

HOUSEHOLD SIZE	30% of Area Median Income (Extremely Low)	50% of Area Median Income (Very Low)	60% of Area Median Income	80% of Area Median Income (Low)	Area Median Income*
1	\$24,400	\$40,700	\$43,860	\$62,750	\$73,100
2	\$27,900	\$46,500	\$50,100	\$71,700	\$83,500
3	\$31,400	\$52,300	\$56,370	\$80,650	\$93,950
4	\$34,850	\$58,100	\$62,640	\$89,600	\$104,400
5	\$37,650	\$62,750	\$67,650	\$96,800	\$112,750

*Due to adjustments by the Department of Housing and Urban Development (HUD), the income percentages will not correspond with Area Median Income figures.

RESIDENTIAL RENT INCREASE DISPUTE RESOLUTION ORDINANCE (RRIDRO)

ATTENTION: IMPORTANT INFORMATION

The City of Fremont adopted the Residential Rent Increase Dispute Resolution Ordinance to assist residential renters. Here are some important facts both property owners and renters should know about the Ordinance:

1. Rent increases are limited to one increase per year unless a property owner and tenant agree to more than one increase in writing with the exact amount(s) and the exact rent increase date(s).

2. Rent increase notifications must contain the name and number of the individual that has the ability to adjust and set rents. Each rent increase notice must state in bold, the following:

“You are encouraged to contact the landlord at _____ to discuss the rent increase. However, Chapter 19 of Title III of the Fremont Municipal Code provides a procedure for conciliation, mediation, and fact finding for disputes over rent increases. To use the procedure, you must contact Mediation Services at (510) 733-4945 within 15 days follow receipt of this notice.”

3. Property owners are encouraged to issue 90-day rent increase notices.

4. Tenants must contact Mediation Services at (510) 733-4945 to request conciliation services within 15 days of receiving a rent increase notice.

5. Property owners will be required to provide tenants moving in on or after July 1, 2001 with a notification of the existence of the ordinance. To download a copy of the RRIDRO, go to <https://fremont.gov/rridro>.

TIPS ON APPLYING FOR LOW COST HOUSING

Applying for below market rate (BMR), housing can sometimes be an overwhelming and complex process but not an impossible task.

Contact each building directly for application details. There may be fees to process applications. Credit as well as criminal background checks may also be conducted on each applicant. If you are applying as a one-person household, be sure to indicate you are the “head of household.” You may be rejected if you cannot pay the full security deposit, therefore be sure to have funds for your security deposit available.

The tips listed below may be helpful in seeking affordable rental housing:

1. Apply for an apartment **BEFORE** you have to move from where you are presently living. Since there are waiting lists, it could take a number of years to reach the top of the list. Make copies of your application before submitting them.
2. File an application to as many properties. If you put “all your eggs in one basket” (as the saying goes), you might have to wait forever for your eggs to hatch. Increase your chances of getting an apartment by being on more than one waiting list.
3. Keep in contact every 4-6 months and inform the property manager/resident manager that you are still interested in living in that particular complex. Don’t “bug” them; just politely remind them that you are still interested and be sure to jot down the date and the name of the person you spoke with.
4. Notify the property manager/resident manager of any changes in your situation such as change of address, telephone number, financial or living situation. Again, make notation of the person you spoke with, date, and time.

Any decision about finding a place to live is complex. However, with time, research and patience, the decision can be wisely made with minimal grief and aggravation.
