Phone: 510-494-4749
E-Mail: rdalton@fremont.gov

Transportation Staff will provide an update on the proposal to convert the existing Bicycle Pedestrian Technical Advisory Committee (BPTAC) to a Bicycle Pedestrian Advisory Commission (BPAC) that was introduced at the January BPTAC meeting. Based on input received since January, and due to the City's move towards district elections, staff recommends deferring any action until a more comprehensive assessment of the City's advisory committees and commissions. Staff will provide further information at the meeting. This agenda item is informational only and no action is required by the BPTAC.

5.2 Walnut Avenue Bikeway Improvement Project

Contact Person: Rene Dalton
Associate Transportation Engineer
Dept.: Public Works Department
Phone: 510-494-4535

Transportation staff will present 35% design plans of the Walnut Avenue Bikeway Improvement Project Phase 1 to BPTAC members. The Walnut Avenue Bikeway

Improvement Project involves the installation of raised, separated bicycle lanes, green bicycle lanes, protected intersections, upgraded traffic signals, bus stop enhancements, and pedestrian crossing enhancements for the segment of Walnut Avenue between Mission Boulevard and Paseo Padre Parkway. BPTAC members will have an opportunity to review the plans and provide comments of the design to date.
