### **Order of Discussion**

Generally, the order of discussion after introduction of an item by the Chair will include comments and information by staff followed by Committee questions or inquiries. The interested citizen(s) may then speak on the item. At the close of public discussion, the item will be considered by the Committee and action taken if needed.

### **Addressing the Bicycle Pedestrian Technical Advisory Committee**

Any person may speak on any item under discussion by the Bicycle Pedestrian Technical Advisory Committee (BPTAC) after receiving recognition by the Chair. When addressing the Bicycle Pedestrian Technical Advisory Committee, please state your name and address. In order to ensure all persons have the opportunity to speak, a time limit may be set by the Chair for each speaker. In the interest of time, please limit your comments to new material; do not repeat what a prior speaker has said.

### **Public Communications**

Any person desiring to speak on a matter which is not scheduled on this agenda may do so under the Public Communications section. Please be aware provisions of California Government Code Section 54954.2(b) prohibit the Bicycle Pedestrian Technical Advisory Committee from taking any immediate action on an item which does not appear on the agenda, unless it meets stringent requirements. The Chair may limit the length of your presentation.

### **Assistance**

Assistance will be provided to those requiring accommodations for disabilities in compliance with the Americans with Disabilities Act of 1990. Interested persons must request the accommodation at least 2 working days in advance of the meeting by contacting the Public Works Department at (510) 494-4535.

## **Information**

For Information on current agenda items please contact the Public Works Department at (510) 494-4535.
