Dear Fremont Unified School District Board President Desrie Campbell,

On behalf of the Fremont City Council, I would like to formally request a special Joint Fremont City Council/FUSD Board meeting to discuss the School Resource Officer (SRO) Program.

In an effort to better serve the Fremont community, the Fremont City Council and FUSD Trustees have had a long-standing history and practice of collaborating on important issues that impact the city's youth and families. Our partnership has greatly benefited our community, and it's urgent that we come together to discuss the SRO program prior to any formal action being taken. Our formal joint meeting process is in place for the purpose of discussing high level issues that mutually affect our organizations and we would like the opportunity to share and discuss recent findings on the program.

The SRO program was established decades ago as a joint commitment of our organizations to ensure the safety and well-being of students. As testament to our strong partnership, please accept my request to schedule a special Joint City Council/FUSD Board meeting.

I would be happy to help host and schedule the meeting upon your acceptance.

Sincerely,

A handwritten signature in blue ink that reads "Lily Mei".
