

APARTMENT/CONDO/TOWNHOME OWNERS AND MANAGERS
Republic Services will pick up compostable trees from your complex at no charge.

CHRISTMAS TREE DISPOSAL

DEAR RESIDENTS: Please help avoid clutter and fire hazards by properly disposing of your Christmas tree.

COMPOSTABLE TREES

- Benefit the environment and free up trash container space.
- Avoid buying trees with flocking or fire retardant.
- Remove decorations, tinsel, nails and tree stands before discarding.
- Compostable trees should be placed at the location designated by the Property Manager.

NON-COMPOSTABLE TREES

- Trees with flocking, fire retardant, decorations, tinsel, nails, tree stands.
- Cut up and place in the garbage container.
- Do not place trees next to containers or inside trash enclosures.
- Do not overfill containers (items piled higher than the edge of the box).

CHRISTMAS TREE COLLECTION OPTIONS

Call Republic Services at (510) 657-3500 to make arrangements

Special container

Republic will drop off a roll-off container free of charge, as long as it is used for compostable holiday trees only. We recommend you reserve yours as soon as possible.

Special pickup

Complexes with no space for a roll-off box or too small to warrant one can designate a drop-off area and schedule a collection day directly with Republic.

Extra collections

Arrange for your containers to be serviced more often than usual in January.

Alternatively, residents may take their tree to Republic Services

A few things to keep in mind:

- Non-compostable trees are not eligible for free collection. They should be placed in trash containers, delivered to Republic Services, or picked up for an additional fee.
- Keep areas in and around enclosures free of trees and extra trash so Republic can service your regular bins and carts.
- Drivers cannot service roll off boxes if items are piled higher than the edge of the box.

The cooperation from you and your residents will help ensure a safe holiday for all.

OTHER OPTIONS

- **Republic Services Center Drop-off**, Dec. 28th – Jan. 8th, Monday to Friday, 8 a.m. to 5 p.m.
42600 Boyce Road, Fremont, (510) 657-3500

No fee for compostable trees, \$5 charge for non-compostable trees
