Dear Council members,

I support Benjamin Mozzetti's appeal regarding 40871 High Street. If we want to build stronger, more caring and sustainable communities it starts with allowing projects like this to go forward. I hope you will consider this thoroughly and recognize the positive impact it would have on the community.

**Sincerely,
Lynda Berg**

I have been a resident of Fremont for 35 years and have witnessed how we as a City have fallen behind in producing sufficient housing to meet the needs of people working in Fremont. I am a participant in Mission Peak Village co-housing group which wants to develop our homes in Fremont. I urge you to support the appeal of Benjamin Mozzetti's appeal regarding the property at 40871 High Street at your meeting on October 5. Thank you for your consideration.

Dear Fremont City Council Members,

As a 56 year resident of Fremont I am in strong support of the Benjamin Mozzetti appeal concerning the property at 40876 High Street. Fremont, will benefit from high quality development of land in all parts of the city and especially at that location in Irvington. When I first came to Fremont as a teacher, I lived in Irvington, so I am familiar with the city.

Again, please support the appeal so an asset to our city can be developed.

Sincerely,
Carolyn Hedgecock

Dear Councilmembers,

My husband and I have lived in Fremont for 55 years, ever since we married in 1966. We've owned two houses here and our sons attended Fremont schools. We urge you to uphold Benjamin Mozzetti's appeal regarding the property at 40871 High St. There are many, many reasons to do so that I and others can mention at the Zoom meeting.

Sincerely,

Walter and Evelyn LaTorre

Dear Council Members,

I am emailing tonight to urge you to support Benjamin Mozzeti's appeal regarding 40871 High Street. As a lifelong Fremont resident, I would like to see the city explore and invest in innovative solutions to the housing crisis and the one being proposed for this site would be a model solution to make our community more livable. Mr Mozzeti's permit should never been denied in the first place. He has provided evidence that the property was not a working farm and therefore holds no historical significance.

Please support Mr. Mozzeti's appeal.

Kind regards,
Susan Lemke

Dear all,

Thank you for the opportunity to contact you regarding this issue!

I've lived around the corner from this property for more than 20 years and have been able to view the barn from the far side. It and the other 2 buildings on the site have never seemed of particular interest nor are they in good condition. The very nearby High Town Square was a positive example of recent development, saving the small historical cottage in front. It would be nice to see continued thoughtful development of my area.

Dear City Council members,

Regarding the scheduled item (High Street demolition appeal) on tonight's agenda, I'm hoping you'll consider my thoughts below. Thank you!

I am in support of the deconstruction of the barn and the wood being repurposed for other uses on the property. I believe this would better reflect the historical essence of Irvington's past rather than leaving the dilapidated barn which has been altered many times and is not viewable from the street. My mother was friends with the owner of the property decades ago (they worked together teaching at Holy Spirit) and when I pass it today, my memories of visiting it do not include a working farm or barn.

Daniel O'Donnell.

As a Fremont resident, I support Benjamin Mozzetti's appeal regarding 40871 High Street. The barn on High Street is in terrible condition compared to other barns, notably the Silva barn in Warm Springs, that have been taken down when a better use of the site was proposed
