

Current List of Approved Third Party Field Evaluation Bodies (FEB)

This list is a guide for FEBs approved to do evaluations of electrical equipment in the City of Fremont. Before engaging the services of one of these agencies, it is the Contractor/Owner's responsibility to ensure that the FEB is accredited to test to the standard for the equipment requiring evaluation. FEBs may only evaluate the types of equipment they have been approved for by the City of Fremont.

IMPORTANT NOTE! Inclusion on this list does not guarantee that the individual FEB is qualified/approved to investigate and evaluate ALL types of equipment.

NATIONALLY RECOGNIZED TESTING LABORATORIES (NRTLs) (OHSA Approved)

- Underwriters Laboratories Inc. (UL) – San Jose, CA
- TÜV SÜD America, Inc. (TUVAM) – Peabody, MA
- TUV Rheinland of North America – Pleasanton, CA
- MET Labs – Baltimore, MD
- Intertek (ETL) – Cortland, NY
- QPS Evaluation Services Inc. – Lancaster, CA

NON-NRTL FIELD EVALUATION BODIES

- ITC Engineering Services Inc. – Sunol, CA
- Lewis Bass International Engineering Services Inc. – Milpitas, CA
- ETI Conformity Services Inc. – Pleasanton, CA
- California Code Compliance – Saratoga, CA
- Salus Engineering International – Santa Clara, CA
- Belay Engineering – Santa Clara, CA
- Powernet Global Services Inc. – Hayward, CA
- Abstraction Engineering – San Jose, CA
- ASC Engineering Services – Santa Clara, CA
- Alpha Compliance Engineering – San Jose, CA
- The Electrical Testing Company – Hayward, CA
- CIISC – Pacifica, CA
- Apparatus Testing and Engineering, Inc. – Rancho Cordova, CA
- RK Power Engineering – Bakersfield, CA
- NSS Laboratories – Fort Collins, CO
