

THE COMMUNITY SERVICES DEPARTMENT IS HIRING!

ASSOCIATE LANDSCAPE ARCHITECT / LANDSCAPE ARCHITECT/DESIGNER II

The Department

The Community Services Department strives to improve the health, wellness and quality of life for Fremont residents by offering a wide variety of exceptional educational and recreational programs and services, historic and cultural resources, facilities, unique attractions, special events, park use and urban forestry.

The Position

One position will be filled as either an Associate Landscape Architect or a lower level Landscape Architect/Designer II, depending upon qualifications and fit. Both positions will perform professional-level landscape architectural work related to the design, construction, and rehabilitation of landscape and irrigation for parks, landscaped areas, and street and urban design projects. In addition, the Associate level incumbent will serve as project manager, team leader and/or supervisor, and consultant manager for site development of city facilities and private developments.

Examples of Job Duties

- Using prescribed methods and procedures, incumbents perform specific and limited portions of a broader assignment of an experienced landscape architect.
- Prepare plans for planting, irrigation, site plans, grading, and layout for parks and median projects.
- Review and approve minor site development plans submitted for development approval for conformance with plans, specifications, and ordinances.
- Grant application and administration.
