Submit to: Engineering@fremont.gov

Submittal Date: New Submittal Re-Submittal No:

Company Name/Contact Person:

Contact information:

Location of work:

Type of work to be performed:

Project reference number:

Initial Applicant shall adhere to the following requirements:

- The site specific traffic control plan shall conform to the most current California Manual on Uniform Traffic Control Devices and State Standard Plans.
- No lane closures allowed on anytime during weekends and weekdays before 8:30 a.m. or after 4:00 p.m.
- All affected residents, businesses, agencies, and schools shall be given 72 hours notice prior to start of work and their access shall be maintained at all times.
- All conflicting signs, striping or pavement markings shall be covered or removed and shall be replaced when work is completed.

A plan that does not include ALL the appropriate elements shall be deemed incomplete and returned for revision.

Plan shall be drawn on letter (8.5"x11") or ledger sized (11"x17") paper only.

Failure to meet requirements after two reviews, plan shall be stamped by a registered civil or traffic engineer prior to resubmitting.

For sample traffic control plans:
