Dear Interested Parties:

The California Nursery Historical Park Draft Final Master Plan will be presented at a third community meeting at 6:00 p.m., Thursday, January 19, 2017 at the Teen Center, 39770 Paseo Padre Parkway (off Sailway Drive).

The City is working with PGAdesign inc. to compile a master plan that will develop the vision and design concept of the California Nursery Historical Park, while retaining historical integrity. The 20-acre property is the last remnant of the original 463-acre California Nursery Company, a once grand nursery operation that brought national attention to the East Bay, and was significantly associated with the evolution of the nursery industry on a statewide level.

The Draft Final Master Plan is tentatively scheduled to be presented to the Recreation Commission in mid-March and to the City Council in mid-April for adoption. Drawings for the park design can be found at: <https://fremont.gov/2858/California-Nursery-Historic-Park-Master->

Discussion regarding the Master Plan will be held at the January 19th meeting. If you cannot attend the meeting, please send your comments to: CaNursery@fremont.gov.

Concurrently with the Draft Final Master Plan, the Draft Environmental Report (EIR) is now circulating. The public review period for the Draft EIR ends 5:00 p.m. on Friday, February 10, 2017. If you would like to view and comment on that report, it is available at: <http://www.fremont.gov/430/Environmental-Review> or at the locations listed above.

Irene Jordahl, Recreation Superintendent I
