

PROPERTY OWNER AUTHORIZATION

Project Address/APN: _____

Project Description:

[Empty rectangular box for project description]

Acknowledgement and Authorization: I/we, the owner(s) of the real property/project site listed above and the subject of the project described above, hereby declare that I/we have received, read, and authorized the filing of an application for processing of the project described above with the City of Fremont. I/we also acknowledge that I/we can review the status of this application at anytime in Citizen Access (https://fremont.gov/citizenaccess), including requesting that my/our Citizen Access account(s) be linked to this application record in Citizen Access so that I/we can review all documents related to it, as it is processed, including plans, comment letters, fees paid, and inspections scheduled and completed.

Select one ownership statement:

- I am the sole owner of the project site and hereby authorize the filing of an application for the project described above.
I own the project site jointly with one or more persons and am empowered to authorize the filing of an application for the project described above on behalf of my fellow property owners.
I own the subject site in conjunction with one or more persons. Authorization/acknowledgements for the additional property owners are attached.

Access to Property: I/we also agree to provide access to the project site (listed above) within three days of prior notice from City officials, staff, their agents, and consultants for the purpose of application review and inspection. My agent and/or I/we may accompany such persons while they access the project site. If I fail to respond to a request for access to the project site within three days, City officials, staff, their agents and consultants are authorized to enter onto the site for such review and inspection.
